

“GOOD DEEDS”

- 1) Did you do a good deed today.
Did you hear what your children have to say.
Did you listen with your heart
Help if they need a new start.
- 2) What was your good deed for the day.
Did you help anyone on the way.
Did you offer a helping hand
Did you for him ever take a stand.
- 3) Good deeds are never gone without rewards.
They are like achieving life's stars.
But in the end, things you receive
Greater things you will achieve.
- 4) Don't it feel good, when you give a hand.
To help, don't it feel grand.
Look around this vast universe
Then help who hunger and thirst.
