PRICE GOUGING – ATTORNEY GENERAL!

There are concerns about price gouging in the wake of the Oroville Dam spillway, Wall Fire and Ponderosa Fire disaster incidents. An anti-price gouging statute becomes effective immediately after a state of emergency is declared. The law generally prohibits charging a price that exceeds, by more than 10%, the price of an item before the emergency. If you are a victim or have information about price-gouging, file a complaint with the Attorney General's Office by going to www.ag.ca.gov or by calling (800)952-5225.

The website has several links for information for seniors. Check them out. Both the Facebook page and website are continually being updated with more information and news about us. Social medial continues to be the number one way to promote organizations and their services. If you have any suggestions on what you would like to present to the public about our organization that isn't already there, please let us know.

PAYPAL!

If you use a computer to order on line, consider using PayPal as a way to pay for goods. You can pay your dues or make donations through PayPal as well. PayPal is a secure way to keep your financial information limited to one place.

RECYCLING!

Recycling is a problem and getting worse. The number of places that accept recycling has shrunk to no more than one or two places. They no longer sort the items for us. There are two types of recycle - recycles you want to get money for and recycles that someone else deals with. We only want recycles put in the recycle container that FRSCA can turn in for money. Aluminum cans and plastic that has the CVR label on it only. Otherwise, like boost and ensure bottles, some juice bottles, plastic forks, spoons, Styrofoam products, food, etc., don't belong. They just need to go in the trash and the only recycle we put in the alley recycle bin is paper.

VALET PARKING – BINGO PLAYERS!

If you have difficulty walking, remember you can pull up in front of the center and someone will park your car for you and retrieve it after Bingo.

The band is playing on Saturday mornings from 10:30 a.m. to noon. Come enjoy the music and get your toes tapping! Stay for bingo. No music on the first Saturday of each month – regular membership meeting and potluck day!

DONATIONS NEEDED – ALWAYS!

Coffee, sugar, creamer, paper towels, napkins, paper plates, etc. are needed! We are running low on supplies and any donation will be greatly appreciated. **Thank you** to all who've brought in donations. This is an on-going need at the center. Tax deductible forms are available. In addition, small gifts to put in our bingo half-time free raffle would be greatly appreciated by all our bingo players. Our bingo players have tripled in size in the past six months. Thank you to Arlene and the bingo committee for always staying on top of the action.

NEW MEMBERS NEEDED

If you know anyone who is interested in coming to the Senior Center and joining in the fun, please invite them to one of our functions. New members are always welcomed!

MEMBER BENEFITS

Bingo – remember that one of the benefits of being a member of FRSCA is the free pack for your birthday. If you have friends that like bingo, tell them about this benefit.

FRSCA dues paying members (after 6 months of membership) are entitled to rent the facility once a year for \$75 for four hours for private parties as long as the date doesn't conflict with another money making program. If you are interested in having a family reunion, birthday or a get together for friends, FRSCA is an alternative location. See a board member for more details.

We are looking for ideas for different activities to offer. If you have something special that you are interested in, please give us a call and we'll try to get something going or fill out the form we have on the membership table.

Our current active volunteers are stretched to their limit. If we want new activities, we need more volunteers. Maybe you know someone who is looking for something to do for 4 hours per week.

CHAIR OF THE BOARD - Trudy MacPhee

Holiday season is just around the corner. Hope you are gearing up for all the fun the holidays will be bringing to so many. I thank all who have been donating to the fire victims and helping my community. The donation we made in Bangor went to three families who lost everything and who I have known many years. Don't forget that FRSCA is providing turkey for November's meeting potluck. See you all soon.
