The North Valley Community Foundation is collecting donations to support those affected by the Wall Fire that started on Friday near Bangor. An emergency response fund has been established and donations can be made in person or by mail at 240 Main Street, Suite 260 Chico, CA 95928, or online at [www.nvcf.org/fund/wall-fire/](http://www.nvcf.org/fund/wall-fire/) . 100% of donated funds will go to aid those directly affected by the Wall Fire.

The Wall Fire has forced the evacuations of thousands of people and has burned more than 5,600 acres in southern Butte County, as of this morning. At least 17 structures have been destroyed and the fire is not expected to be contained until July 15.

The North Valley Community Foundation establishes emergency response funds for local crises to support the affected populations. During the Oroville spillway evacuation, the foundation raised \$22,865, which was primarily used to financially support shelters that were not already being supported by the Red Cross and the Salvation Army.
